ORDER

Pending before the Court is the Government's Motion for Non-Substantive Amendment of Second Superseding Indictment by Interlineation (Doc. No. 486). Defendant has indicated he will not be filing a response to this motion. As detailed in the motion, Count Sixteen of the Second Superseding Indictment currently contains the language, "more than 50 grams of a mixture and substance containing a detectable [sic] of cocaine base", omitting the word "amount." The government moves for amendment of that count, inserting the word "amount" into the proper location. The government further requests that a conforming change be made to its previously-submitted proposed jury instructions.

Accordingly, for good cause shown, the government's motion (Doc. No. 486) is **GRANTED.**

IT IS SO ORDERED.
